

G2 Advent Conspiracy Calendar

This Advent at G2 we're following a series "advent conspiracy". The Concept behind Advent conspiracy is simple: **Worship Fully, Spend Less, Give More & Love All.** Here's one way to do that, each day of advent there is a focus to help you think and pray for someone less fortunate than ourselves. There is also a chance to give - we've suggested that the money goes to Water Aid, it helps to provide clean running water for those around the world that don't have any.
